

ENTREPRENEURSHIP CENTER

AIT ENTREPRENEURSHIP CENTER
**Transforming Ideas
into Impact through
COLLABORATIVE
INNOVATIONS**

AIT

Asian Institute of Technology

AIT Entrepreneurship Center (AIT EC)

AIT EC is a breeding ground for future business leaders as well as a learning center, where AIT students, faculty, and alumni come to share their knowledge to create innovations and businesses with the ultimate goal of enhancing economic and social development. It is also an inclusive center, reaching out to enterprises for the advancement of academia-industry collaboration for technological and economic development of the region.

Mission

To drive AIT's Entrepreneurial Ecosystem by supporting our Students, Faculty and Alumni in partnership with the industry to transform their ideas into "Social Impact with Innovation".

Vision

To become the regional hub of innovation and entrepreneurship driving socio-economic development of the region and beyond.

CREATOR SPACE

Asian Institute of Technology

The Asian Institute of Technology (AIT) is an international English-speaking postgraduate institution, focusing on engineering, environment, and management studies. AIT's rigorous academic, research, and experiential outreach programs prepare graduates for professional success and leadership roles in Asia and beyond. Founded in 1959, AIT offers the opportunity to study at an institution in Asia which possesses a global reputation. Sitting on a beautiful green campus located just north of Bangkok, Thailand, AIT operates as a multicultural community where a cosmopolitan approach to living and learning is the rule.
